

HANDY SIZE CHART

For Wine, Daiquiri, Champagne, Martini Glasses & More

INSTRUCTIONS:

- Print out this page and lay it on a flat surface.
- Place the base of each stemware you wish to dress on the chart above.
- To ensure proper fit of your DIVA Glass Slippers™, the outer edge of the glass base must fit within one of the colored circles—that is the size to order. If the base falls into white space—order next size up.
- You are only measuring the size of the stemware base—DO NOT adjust in any way for allowances:

SIZE 1 Fits most STANDARD stemware bases

SIZE 2 Fits small bases

SIZE 3 Fits LARGE stemware bases—Riedel™, etc.

SIZE 4 Fits smaller stemware bases—think plastics

SIZE 5 Fits LARGER stemware bases—Riedel™, etc.

- Don't see your size? Take a picture of the base on top of a ruler and email it to: Creatriss@DivaGlassSlippers.com before or after you place your order.
